

U9-U10 Modified Two Field Layout

Touchlines, Penalty area, Goal area, build out lines

Field Setup Instructions:

- Two U9/U10 games can be played simultaneously at Hazen using the 4 MOD-sized (6x18) goals.
- The fields are laid out going east to west; the football sidelines should be used as the end lines and where the goals are placed.
- The soccer sidelines should be the football goal line and the 40-yard line.
- The goal area should be 4 yards from the goal; the penalty area 10 yards from the goal.
- The football hash marks should be used as the build out line.
- Layout minimal saucer or flat cones to clarify goal and penalty areas and touchlines.
