

GRTYSA/Southlake Soccer

2022-2023 Soccer Birth Year Registration

USYS (US Youth Soccer) has mandated player development initiatives starting fall 2020. Here are the basics in regards to the birth year initiative:

- Organizing youth born in the same year to play at the same age group simplifies and standardizes soccer structure across the nation.
- Coaches do have the option to “play up” in order to keep their team together. This will be a coach decision.
- Having players train and play according to their age and developmental stage supports the objectives of the small sided standards by focusing on the physiological and developmental needs of the player.
